Dear Sir:

The Examiner has indicated that the information disclosure statement filed 09/17/2003 fails to comply with 37 CFR 1.98(a)(2), but has been placed in the application file, but the information referred to therein has not been considered. In response, Applicant resubmits Form 1449A/PTO listing the previously listed foreign patent documents, and a legible copy of each cited foreign patent document. In this connection, Applicant notes that the enclosed copies of the foreign patent documents are identical to the copies originally submitted. Applicant has reviewed the enclosed copies and has not been able to uncover any illegible portion. Accordingly, Applicant submits that the information disclosure statement filed September 17, 2003 was proper in all respects. In the event the Examiner maintains that the references are illegible, it is requested that the Examiner specifically identify the allegedly illegible portion or portions.

Respectfully submitted,
